GUIDELINES WITH SYLLABUS

Eureka Talent Search Exam, Plan - 13 : 2024
(ETSE-13, 2024)

Talent manifests itself in high level performance or mental activity in one or more areas of human knowledge which covers Science, Social Science, Engineering, Medicine, Law, Sports, Arts, Management etc. Thus, Talent is a biological wealth of a nation. No person discovers his own talent but is always recognised by people and beneficiaries around him/her-the society. Eureka Study Centre has been honouring, nurturing and developing talents as a matter of its established practice and rich tradition since-1985 with maximum permissible means at its disposal. The present test is a step in the said process. Eureka Study Centre (ESC) gives attractive Scholarship to the meritorious students besides encouraging a competitive spirit among the growing students through the tests.
